Sadness

### COPING WITH STRESS DURING COVID-19

Things you can do to reduce stress:

- **Take breaks from listening to, watching or reading about COVID-19, including checking social media.**
- **Focus on the facts of COVID-19 and understand the risk to yourself and those you care about.**
- **Separate facts from rumours. Gather information from reliable sources.**
- **Keep yourself in the best possible health. Sleep well, eat healthy, and be physically active.**
- **Practise positive thinking.**
- **Plan your day, prioritise tasks. Feel good about the decisions you make.**
- **Engage in activities you enjoy - keep yourself stimulated and entertained.**
- **Talk to people you trust, share your concerns and feelings.**

**If stress continues to hamper your daily activities, talk to a doctor.**
